What makes a Roth's cake the best cake for your special occasion?

- Roth's Bakers' still Mix & Bake our Cakes in store to guarantee our valued customers the best possible quality. *Our competition uses cake that is frozen for up to 180 days and produced off site.*
- Roth's Decorators' still make our Icing from scratch the old fashioned way and whip it extra long to achieve a light fluffy texture and to make certain that our valued customers receive the best possible experience when biting into one of our cakes.

Our competition uses icing that comes in a bucket, produced off site and can be stored for up to one year
